TRAINING TO REDUCE THE INCIDENCE OF AIDS-RELATED DEATH

Buy a Brick to Help Build an HIV-free Generation

Nkomazi TRIAD has been granted nearly 15 acres of pristine land by the regional tribal council. With your help, Nkomazi's best and brightest leaders can reach more vulnerable children in a safe, clean and exciting environment.

For only \$5, you can buy a brick and be a part of the HIV-free legacy Nkomazi TRIAD is creating.

To learn more about plans for the The Nkomazi TRIAD Centre or how you can support its development, please visit www.triadtrust.org/support/NkomaziTRIADCentre.
